CLEVRY ASSESSMENT LANGUAGES

A handy overview of Clevry's Assessment Tools offering across languages

OVERVIEW

This guide details which of the Clevry assessments and reports are available in different languages. On the following pages you will find tables indicating which personality reports, ability tests and scenarios-based assessment tools are available across languages.

We are continually adding to our offering based on the needs of our clients, working closely with internal translation teams, external translation agencies and our Partner network to expand what tools we can offer across different markets, always in high quality to ensure a great candidate experience and psychometrically sound results. If you have a question or request with regards to translations and our assessment offering, please get in touch with the Clevry support team who would be happy to help: support@clevry.com
